Mr. R. C. Peavey, Executive Director
Space Science Summer Study
State University of Iowa Library
Iowa City, Iowa

Dear Mr. Peavey:

As you know, I have not been able to attend either the Biology sessions or the International sessions of the Space Science Summer Study. I will also be unable to attend the Space Probe Sterilization discussions scheduled for July 26 and 27. However, I have talked with Dr. Brown on the telephone, and he is fully apprized of my views. We will keep in contact in that way.

Yours sincerely,

Joshua Lederberg
Professor of Genetics
